

Application Materials

Please create a single pdf document containing the following materials:

1. First and Last Name, Mailing Address, Phone Number
2. Artist Statement
3. Link to a website where we can view at least 10 still images of your work and/or a 5-10-minute video excerpt for practices that use video. Please use an external link and do not embed your images in the application pdf or attach other files to your email.
4. Artist CV
5. Detailed proposal of an interdisciplinary seminar course for the amount of time you are proposing for a residency (3-6 weeks). We encourage development of a theme that relates to your own work and interests, and to projects, readings, etc, that may help students further develop their own practices.

Discussion of current issues is considered a valuable part of the seminar experience. The seminar can include individual and/or collaborative studio work, lecture and discussion, readings, or any process that you think may apply to the context described on our site.

6. Please indicate in your document whether you would be interested in being considered for producing a print with Normal Editions Workshop.

Please email your application pdf as an attachment to

visitingartists@ilstu.edu. Subject of email must contain first and last name of applicant followed by "VA 2021" (Example robertsmithVA2021) or we may not see your application.

Incomplete applications will not be reviewed.

Applicants will be notified of the status of their applications in late April.
